INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Tabby's Place - A Cat Sanctuary

Report on the Financial Statements

We have audited the accompanying financial statements of Tabby's Place - A Cat Sanctuary (a nonprofit organization) which comprise the statement of assets, liabilities, and net assets – income tax basis as of December 31, 2018, and the related statements of revenues, expenses, and other changes in net assets – income tax basis, functional expenses – income tax basis and cash flows – income tax basis for the year then ended, and the related notes to the financial statements. The prior year summarized comparative information as of December 31, 2017, report dated May 28, 2018, expressed an unmodified opinion on those statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting Tabby's Place uses for income tax purposes; this includes determining that the income tax basis of accounting is an acceptable basis for the preparation of the financial statements under the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

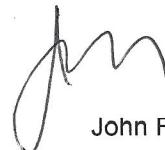

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the statement of assets, liabilities, and net assets – income tax basis of Tabby's Place - A Cat Sanctuary as of December 31, 2018, and the statements of revenues, expenses, and other changes in net assets – income tax basis and its cash flows for the year then ended in accordance with the basis of accounting Tabby's Place uses for income tax purposes as described in note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describe the basis of accounting. The financial statements are prepared on the basis of accounting Tabby's Place uses for income tax purposes, which is a basis of accounting other than accounting principles generally accepted in the United States of America. My opinion is not modified with respect to this matter.

TABBY'S PLACE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

1. Nature of Activities:

Organization – Tabby's Place - A Cat Sanctuary (Tabby's Place), a NJ nonprofit corporation, is a cage free sanctuary that provides refuge to cats in hopeless situations. This one of a kind facility serves as an adoption center, finding loving homes for cats; a hospital, providing medical and surgical treatment for sick or injured residents; and a hospice, providing palliative care and a warm, loving environment for chronically ill or terminally ill cats to live out their lives in comfort. Tabby's Place's support comes primarily from public donor contributions. Tabby's Place was founded in 1999 and incorporated under the laws of the State of New Jersey.

2. Summary of Significant Accounting Policies:

Tabby's place prepares its financial statements in conformity with methods of accounting that it considers appropriate for federal income tax reporting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Income is recorded when received and expenses when paid or charged via credit card. Contributions are recognized when received by Tabby's Place and are in substance unconditional. Net assets and revenues, expenses, gains and losses are classified based upon the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the organization. Generally, the donors of these assets permit the use of all or part of the income earned on any related investments for general or specific purposes.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents – The Organization considers all cash on hand and in the banks, money market funds and certificates of deposit with an original maturity of less than three months to be cash and cash equivalents.

Income Taxes – The Organization is a not-for-profit organization exempt from taxes under section 501(c)(3) of the Internal Revenue Code. There is, therefore, no provision for income taxes in these financial statements. Annually, the Organization files Form 990, Return of Organizations Exempt from Income Tax, with the Internal Revenue Service. This form is open for public inspection. The Organization believes that it has appropriate support for all tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. Tax returns are open for examination by the Internal Revenue Service for three years after filing. Thus, returns for this year and the last three years remain open.

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or

TABBY'S PLACE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Property and equipment over \$1,000 are recorded at cost or, if donated, as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the various assets.

Donated Services – Tabby's Place receives a significant amount of donated services from unpaid volunteers who assist in cleaning, feeding, and socializing with the cats. Donated services are recognized as contributions if the services create or enhance nonfinancial assets; or require specialized skills and would otherwise be purchased by Tabby's Place. No amounts have been recognized in the statement of activities because these criteria have not been met.

Advertising Costs – Advertising costs are expensed as incurred.

Subsequent Events – The Organization has evaluated subsequent events for potential recognition or disclosure through May 17, 2018, the date the financial statements were available to be issued.

3. Property and Equipment is summarized as follows:

	<u>2018</u>	<u>2017</u>
Land	\$ 276,475	\$ 276,475
Building	1,471,295	1,437,067
Furniture and equipment	<u>390,733</u>	<u>366,038</u>
	2,138,503	2,079,580
Less: accumulated depreciation	<u>860,485</u>	<u>793,076</u>
	<u>\$1,278,018</u>	<u>\$1,286,504</u>

4. Loans Payable:

Tabby's Place entered into a \$34,000 5-year promissory note payable with the ASPCA for the purchase of a standby generator. The note was payable in quarterly installments of \$2,296 and carried an interest rate of 2.5%. This loan was paid off in 2018.

In 2017 and 2018, the Executive Director loaned a total of \$72,000 to Tabby's Place. The total balance of \$72,000 was repaid in January 2019.

5. Related Party Transactions:

Tabby's Place provides food and medical care to the feline pets of staff at cost. During the years ended December 31, 2018 and December 31, 2017 these costs were considered not material.

TABBY'S PLACE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

6. Functional Allocation of Expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and services benefited.

7. Concentrations:

The Organization operates primarily in Hunterdon County, New Jersey. The Organization is thus subject to fluctuations in local economic conditions.

8. Building expansion:

Thanks to a generous gift, Tabby's Place is planning a significant physical expansion in our current location.

The purpose of the gift is to support physical expansion to allow the organization to provide care for FeLV+ cats, in addition to our current services and programs. The primary work includes the addition of 5,000 sq. ft (to be known as Quinn's Corner) to the existing building, which will provide specialized areas for FeLV+ cats, as well as expansion of other areas required to support the new project. We hope to begin construction in late 2019 or early 2020 and to begin operation 12 months after that.
